

Website Change and Modifications

1. Proofread all content, correct the grammar, and ensure proper capitalization throughout. The replacement content will be provided in this file.
2. Use the product images provided in the respective attached brochures.
3. Wherever the company's years of expertise are mentioned (e.g., "Who We Are," "Explore Our Story," etc.), update them to **9 years**.
4. Landing page → Replace first view's title and content with
Title: Change it to → Leading the Future of Life Science, Pharma and Healthcare Distribution in India

Content: At Inventa, we are committed to bridging the gap between innovation and accessibility. With a robust nationwide network, we deliver a comprehensive portfolio of pharmaceuticals, biotechnology products, medical devices, diagnostics, and life science solutions to healthcare providers, research institutions, and retail partners.

5. Explore Our Story page →

=>Replace Our Vision content with title: To empower scientific discovery and transform diagnostics by providing innovative technologies, advanced laboratory instruments, and high-quality solutions that accelerate research, improve patient care, and drive excellence in healthcare and biotechnology.

=>Replace Who We Are Content: With over 9 years of expertise in life sciences, we are one of India's leading suppliers of laboratory instruments, advanced technologies, consumables, chemicals, and plasticware. We empower research and diagnostics in molecular biology, cell culture, genomics, proteomics, and immunology with innovative, high-quality solutions from trusted global brands.

=>Replace Delivering Solution Content: Today, Inventa Systems is a trusted leader in life science solutions, delivering world-class products and technologies through partnerships with leading manufacturers in the USA and Europe.

- a. Authorized Distributor of globally recognized life science brands.
- b. Comprehensive Portfolio of laboratory instruments, liquid handling systems, centrifuge ware, cryogenic labware, consumables, and advanced technologies.
- c. Serving research, biotechnology, pharmaceutical, healthcare, and academic laboratories across India.
- d. Committed to innovation, quality, reliability, and exceptional customer support.

Inventa Systems stands for Innovation • Quality • Togetherness • Service.

=>Replace the content with the Partner with us for complete laboratory solutions.

- e. Customized Quotations
- f. Live Product Demonstrations
- g. Expert Technical Consultation
- h. Application & Product Support
- i. End-to-End Laboratory Solutions

Website Change and Modifications

Contact us today to discover the right technologies, instruments, and consumables for your laboratory.

In every animation shifting change the Number products from 7+ to 50+.

6. Add given email for Quote request: dhara.panchal@inventasystems.in
7. Address of Inventa's need to replace with: 907, The Empire, Sarkhej - Gandhinagar Hwy, beside Audi Showroom, near Gujarat High court, Vishwas City I, Sola, Ahmedabad, Gujarat 380061
8. Application page -> For each application and instrument, replace the image with the one from its respective attached brochure. Also, move all the user guides to the end, placing them after all the brochures.
9. Application page -> Molecular Diagnostics

Adjust in hierarchy of (1) Nucleic Acid Extraction (2) Real-Time PCR & qPCR Reagents (3) Sanger Sequencing (4) Next-Generation Sequencing

Update in: Nucleic Acid Extraction

Attach brochure: <https://documents.thermofisher.com/TFS-Assets/BID/brochures/kingfisher-instruments-experience-brochure.pdf>

Change title of Real Time PCR to Real Time PCR & qPCR Reagents

Add Content: Real Time PCR & qPCR Reagents

Food Molecular Solutions – Imp Points

- Real-time Food PCR System (QuantStudio 5, 0.1 mL block, 96-well)
- Pathogen Detection – SureTect Assay Kits
- Label Claim – GMO Solutions/Vegan ID Assay
- Food Fraud – Meat ID Assays

Attach the brochure for the Real-Time PCR & qPCR Reagents section. The brochure will be shared via email in its respective folder.

10. Cell Biology

Cell Biology -> Cell Culture & Expansion

Attach brochure: https://www.thermofisher.com/in/en/home/life-science/cell-culture/mammalian-cell-culture/reagents.html?ef_id=ccbda0bbd23b1881718dcf846a3521b:G:s&s_kwcid=AL!3652!10!77584491471270!!!!77584612576010!!272883844!1241348798480799&cid=bid_clb_cce_r01_co_cp0000_pjt0000_bid00000_0se_bng_bt_pur_con&mssclid=ccbda0bbd23b1881718dcf846a3521b

Cell Biology -> Flow Cytometry

Add Content: <https://www.thermofisher.com/order/catalog/product/A28997?SID=srch-srp-A28997>

Attach Brochure: <https://documents.thermofisher.com/TFS-Assets/BID/brochures/attune-nxt-and-flow-brochure.pdf>

Cell Biology -> Cell Imaging & Analysis

Website Change and Modifications

Attach Brochure: <https://documents.thermofisher.com/TFS-Assets/BID/brochures/imaging-systems-brochure.pdf>

II. Cell and Gene Therapy

Cell and Gene Therapy -> Cell Therapy Manufacturing

Attach Brochure: <https://documents.thermofisher.com/TFS-Assets/BPD/brochures/cell-gene-therapy-brochure.pdf>

The brochure will be attached in mail with its respected folder name.

Add content: Use the workflow which is given in attached screenshot

Cell and Gene Therapy -> Gene Editing (CRISPR)

The brochure will be attached in mail with its respected folder name.

Website Change and Modifications

Remove Viral Vector Production in Cell and Gene Therapy

12. Analytical Science

Analytical Science -> Mass Spectrometry

Attach Brochure: <https://www.thermofisher.com/order/catalog/product/BRE725539?SID=srch-srp-BRE725539>

<https://documents.thermofisher.com/TFS-Assets/CMD/brochures/br-65448-ms-orbitrap-exploris-480-br65448-en.pdf>

Add ICP-MS in Analytical Science.

Add Brochure: <https://www.thermofisher.com/order/catalog/product/BRE731459A?SID=srch-srp-BRE731459A>

Add Brochure : <https://documents.thermofisher.com/TFS-Assets/CMD/brochures/br-003092-tea-icap-ms-icap-mtx-discovery-br003092-em-en.pdf>

Add Battery Technology Solutions in Analytical Science.

Brochure will be attached in mail with its respected folder name.

Add Extrema in Analytical Science.

Brochure will be attached in mail with its respected folder name.

13. Forensic Science

Forensic Science -> Toxicology

Add Content:

<https://www.thermofisher.com/order/catalog/product/IQLAEGABSFAPYMBHL?SID=srch-srp-IQLAEGABSFAPYMBHL>

Add Brochure: <https://documents.thermofisher.com/TFS-Assets/CMD/brochures/BR-64309-HRAM-MSMS-Spectral-Libraries-BR64309-EN.pdf>

Remove Trace & Digital Evidence in Forensic Science.

14. Remove Animal Health Application and Add it to Agri, Veterinary & Animal Health

Add Brochure of Animal Health: <https://documents.thermofisher.com/TFS-Assets/GSD/brochures/animal-health-product-catalog-2026.pdf>

<https://www.thermofisher.com/in/en/home/industrial/animal-health.html?SID=fr-animal-main>

15. Point of Care Solutions

In Point of Care Solutions add this points, attached link has content and brochure.

a) <https://www.molbiodiagnostics.com/truenat-assays/>

b) <https://www.molbiodiagnostics.com/ibreastexam/>

c) <https://www.molbiodiagnostics.com/prorad-atlas-ultraportable/>

d) <https://www.molbiodiagnostics.com/truenat/>

e) <https://www.molbiodiagnostics.com/optrascan-digital-pathology-solutions/>

Website Change and Modifications

16. Lab Equipment

Lab Equipment -> Centrifuge

Add Brochure: https://documents.thermofisher.com/TFS-Assets/LPD/brochures/TFS-Assets_LPD_brochures_6410r11_ThermoFisher_GP-Pro-eBro.pdf

Add Bio safety Cabinet in Lab Equipment:

Attach Brochure and also add content from it: <https://documents.thermofisher.com/TFS-Assets/LED/brochures/D20817.pdf>

Add Water Purification system in Lab Equipment:

Add Content:

<https://www.thermofisher.com/search/browse/category/in/en/90177050?gptExactMatch=true>

Attach Brochure: <https://documents.thermofisher.com/TFS-Assets/LED/brochures/BRWPOVERVIEW-FR-0413.pdf>

Add Cold Storage in Lab Equipment:

Add Content and Brochure from the attach links:

<https://www.thermofisher.com/order/catalog/product/TDE50040LARK?SID=srch-srp-TDE50040LARK>

https://documents.thermofisher.com/TFS-Assets/LED/brochures/-40%20EU_TDE_1019%20Web.pdf

Add Data Logger in Lab Equipment:

Add Content and brochure from attach link:

<https://www.thermofisher.com/order/catalog/product/ST100-102?SID=srch-srp-ST100-102>

Add Brochure in Cold Storage: <https://documents.thermofisher.com/TFS-Assets/LPD/Application-Notes/Spectrum-AABB-Cold-Storage-Flyer-FWR.pdf>

17. Replace Turnkey project content using the given link:

<https://www.thermofisher.com/in/en/home/life-science/lab-equipment/lab-equipment-learning-center/lab-construction-information.html?SID=fr-labequip-4>

18. Lab Consumables

Lab Consumables -> Pipette Tips & Tubes

Attach brochure: <https://documents.thermofisher.com/TFS-Assets/LCD/brochures/Finnpipette-F1-and-Finnpipette-F2-brochure.pdf>

<https://documents.thermofisher.com/TFS-Assets/LED/brochures/Finnpipette-F1-F2-Novus-catalog-2026.pdf>

<https://documents.thermofisher.com/TFS-Assets/LSG/Application-Notes/D21336.pdf>

<https://documents.thermofisher.com/TFS-Assets/LPD/Product-Information/Improved-ergonomics-pipette-tip-selection-AN-ERGIPTIPS-EN.pdf>

Remove PPE & Lab Wear from Lab Consumables.

Add Brochure to Microplates & Dishes:

Website Change and Modifications

<https://documents.thermofisher.com/TFS-Assets/LSG/brochures/microamp-plastics-compatibility-chart.pdf>

19. Clients & Brands

Clients & Brands -> Powering India Leading Institutions

Replace Content: Trusted by leading research institutions, diagnostic laboratories, pharmaceutical companies, and world-renowned life science brands, Inventa Systems delivers innovative technologies and dependable laboratory solutions across India.

Change the Numbers

Client: 20+ → 200+

Our Brands: 17+ → 20+

Years of trust: 7+ → 9+

Remove the “Ready to Partner With Inventa?” Button

Add the Thermo Fisher brand logo.

Remove Oxford Nanopore Technologies from the Our Brands section.

Replace “Decipher Genomics” with “Thermo Fisher” in its current position, and move “Decipher Genomics” to the end of the Our Brands list.

20. Landing page → Authorized Service Provider

Authorized Service Provider content update:

Trusted Certified Service Partner providing expert installation, maintenance, calibration, and technical support for PCR, RT-PCR, centrifuges, microscopes, microplate readers, and a broad portfolio of Thermo Fisher Scientific laboratory equipment.

21. Landing Page → Delivering Life-Changing Solutions

Change the title

Delivering Life-Changing Solutions → Making a Meaningful Impact

Change the Content:

Driving progress in life sciences and molecular biology, we deliver innovative solutions and advanced laboratory technologies that enable breakthrough research and contribute to improving lives worldwide.

22. Career Page

Change the title text to

Shape the Future of Life Sciences. → Shape the Future of Life Sciences & Diagnostics

Update the Content:

At Inventa Systems, we are more than a life science solutions provider — we are a team driven by innovation, purpose, and growth.

Website Change and Modifications

*Work with Purpose: Contribute to advancing life sciences, molecular biology, and diagnostics that make a real-world impact.

*Innovation-Driven Environment: Be part of a company that brings cutting-edge laboratory technologies and global solutions to India.

*Learning & Growth: Continuous exposure to leading scientific instruments, technologies, and industry expertise.

*Strong Industry Presence: Work alongside leading research institutions, diagnostic labs, pharmaceutical companies, and academic organizations.

*Collaborative Culture: A supportive team that values integrity, teamwork, and excellence.

*Career Development: Opportunities for skill enhancement, training, and long-term professional growth.

Join Inventa Systems and be part of shaping the future of life science and diagnostics in India.

23. Remove the gradient background from all product sections.
